

# Tangerine ROAD

## I-10 TO LA CAÑADA IMPROVEMENT PROJECT

The Tangerine Road Project Team will host 2 public open houses to provide updates on the proposed design for this RTA project. This project will promote mobility, construct drainage structures, install wildlife crossings, provide facilities for bicycle and pedestrian traffic, and improve safety along this corridor.

Representatives from the Town of Marana, the Town of Oro Valley, Pima County, RTA, and the project team will be available to discuss the project and answer any questions. Your input is important to us.

Please join us at one of the Open Houses listed below.

This is a project of the Regional Transportation Authority. The voter-approved, \$2.1 billion RTA plan will be implemented through 2026. Details about the full plan are available at [www.RTAmobility.com](http://www.RTAmobility.com). The Regional Transportation Authority has a nine-member board with representatives from local, state and tribal governments.
