

**RTA Project Totals
November 1, 2011**

Road Element		
	Complete	8
	Under Construction	5
	In Design	16
Safety Element		
Intersection Safety and Capacity Improvements		
	Complete	99
	Under Construction	2
	In Design	7
Elderly and Pedestrian Safety Improvements		
	Complete	80
	Under Construction	1
	In Design	9
Transit Corridor Bus Pullouts		
	Complete	51
	Under Construction	6
	In Design	26
At-grade Railroad Safety/Bridge Deficiencies		
	Complete	4
	Under Construction	2
	In Design	2
Signal Technology Upgrades to Improve Intersection Traffic Flow		
	Complete	58
	Under Construction	0
	In Design	0
Sub Total Safety Element		
	Total Complete	292
	Total Under Construction	11
	Total In Design	44
Environmental and Economic Vitality Element		
Greenways, Pathways Bikeways, and Sidewalks		
	Complete	67
	Under Construction	3
	In Design	9
Transportation-related Critical Wildlife Linkages		
	Complete	7
	Under Construction	0
	In Design	3
Sub Total Environmental and Economic Vitality Element		
	Total Complete	74
	Total Under Construction	3
	Total In Design	12
Transit Element		
Downtown/University high-capacity transit (Streetcar)		
	Complete	0
	Under Construction	0
	In Design	1
Park-n-Ride Transit Centers		
	Complete	6
	Under Construction	0
	In Design	1
Weekday evening		
	Completed	21
	In Process	0
Weekday Service		
	Completed	23
	In Process	0
Bus Frequency & Overcrowding Relief		
	Completed	6
	In Process	0

*Includes Completed Temporary lots

**RTA Project Totals
November 1, 2011**

Special Needs		
	Completed	3
	In Process	0
Neighborhood Circulator		
	Completed	11
	In Process	0
Express Service		
	Completed	7
	In Process	0
Maintenance Storage Facility		
	Completed	1
	Under Construction	1
Sub Total Transit Element		
	Total Complete	78
	Total Under Construction	1
	Total In Design	3
Grand Total		
	Total Initiated	547
	Total In Design	75
	Total Under Construction	20
	Total Complete	452
*Numerous minor projects are not included i.e. ADA Accessibility Ramps
